

Dear Tar Wars Presenter/Teacher,

Thank you for participating in Tar Wars. Enclosed are some of the materials you and your presenter will need. Here's what you need to do to make the presentation a success:

Before the presentation

- Request Tar Wars Contest Materials
- Download/review Tar Wars Presentation

On the day of the presentation

- Have students complete pre survey
- Following the presentation, have students complete the post-presentation survey **the post-presentation survey is on the back of his or her own pre-survey.**
- Make sure each student has a parent information sheet to take home. We have provided copies in English. If you have a large population of Spanish-speaking families, you may want to download the Spanish version at www.tarwars.org.

Following the presentation

- Complete your presenter evaluation and return with your student's pre-and-post presentation surveys.
- In the days following the presentation, presenters/teachers should encourage students to create posters to reinforce the Tar Wars message focusing on the positive effects of not using tobacco. Poster board is included in your Tar Wars Kit if requested; however, you may wish to use a different size poster board. The guidelines for posters are included in your packet, but may also be found at www.tarwars.org. If you would like to submit your school's winning poster to the annual Missouri Tar Wars poster contest, please read the submission guidelines. You'll want to share this information with the students before they create their posters. The schools will choose a winning poster to submit to MAFP before April 27, 2018. When submitting the winning poster to MAFP, please attach the Contest Entry Form and Tar Wars Poster Authorization Release.

Thank you for participating in Tar Wars and helping kids to be tobacco-free!!

Sincerely,

Kathy Pabst
