Did you know?

This year is the Missouri Academy's 70th Anniversary. The Missouri Academy of Family Physicians was formed in 1947 as the Missouri Academy of General Practitioners, and was chartered in 1948, making it the oldest chartered state chapter.

69th Annual Scientific Assembly
June 9-10, 2017
The Lodge at Old Kinderhook
Camdenton, Missouri
A MESSAGE FROM THE PRESIDENT

Dear Friends and Colleagues,

Welcome to the 69th Annual Scientific Assembly! The wide range of CME topics reflects the amazing efforts of our Education Commission. This meeting promises to deliver up to date and relevant continuing medical education.

You will receive current information on a wide variety of medical topics pertinent to patient care in family medicine. Material was chosen based on input from membership, relevant current topics in medicine and topics surrounding quality patient care. The Education Commission has devoted extra effort this year to continue delivering high quality speakers. This meeting also provides a wonderful opportunity to interact professionally and socially with physicians and their families from medical students and residents to life members.

On Friday evening, you will have the opportunity to visit at a reception followed by the President’s Installation Dinner and other awards will also be presented. On Saturday evening, you will have an opportunity to enjoy some family time at the Family Fun Fiesta. We will also be announcing activities planned to celebrate our 70th Anniversary.

We hope you will join us for a summer getaway with amazing continuing medical education and a chance to share with Missouri family physicians.

Kathleen Eubanks-Meng, DO
MAFP President
