**Pabst Appointed to Commission  
in the American Academy of Family Physicians**

Jefferson City, MO — Kathy Pabst, MBA, CAE, has been appointed to serve as a member of the American Academy of Family Physicians' Federal and State Policy Commission for a three year term beginning in December, 2021.

The Federal and State Policy Commission is one of seven commissions that direct AAFP policies and programs. This commission informs and guides the Academy's federal advocacy program and its support for constituent chapters in their advocacy efforts before state governments.

Kathy has led the Missouri Academy of Family Physicians since 2014 as their executive director. She is responsible for the advocacy, education, and member services provided to the 2,400-member statewide chapter of the American Academy of Family Physicians. Her educational background includes a bachelor of science degree in management and a master's degree in business administration. She earned her certified association executive credential from the American Society of Association Executives.
